

# *Student Transition & Planning Program Curriculum Planning Conference*

*Lead By Thomas Stowell, MA  
Coordinator of Student Transition and Planning Programs*

During the past year our school has seen the creation of a number of new initiatives to help support students in gaining valuable skills for success in school and in life. The PASS Program for 9<sup>th</sup> graders is only a part of a new Transition and Planning Program, which will begin to be phased in next year.

This conference brings together a variety of individuals from different academic disciplines and support areas to discuss the needs of our students and the curriculum needed to support the vision for supporting students as they move through high school.

Please refer to the schedule below for the specifics of the conference's activities.

---

8:30 to 9:00	Registration, Forms, Materials, and Munchies
